CERTAIN REVENUES PLACED IN SEPARATE FUND

SEC. 2. [16 U.S.C 460l-5] SEPARATE FUND.—During the period ending September 30, 2015, there shall be covered into the land and water conservation fund in the Treasury of the United States, which fund is hereby established and is hereinafter referred to as the “fund”, the following revenues and collections:

(a) SURPLUS PROPERTY SALES.—All proceeds (except so much thereof as may be otherwise obligated, credited, or paid under au-

¹The Land and Water Conservation Fund Act of 1965 (16 U.S.C. 460l-4—460l-11), as set forth herein, consists of Public Law 88-578 (Sept. 3, 1964) and amendments thereto. Pursuant to section 2(b) of the Act of August 8, 1953 (16 U.S.C. 1c(b)), the provisions of the Land and Water Conservation Fund Act of 1965 apply to all areas of the National Park System to the extent the provisions are not in conflict with specific provisions applicable to a particular unit of the National Park System.

thority of those provisions of law set forth in section 485(b)(e),¹ title 40, United States Code, or the Independent Offices Appropriation Act, 1963 (76 Stat. 725) or in any later appropriation Act) hereafter received from any disposal of surplus real property and related personal property under the Federal Property and Administrative Services Act of 1949, as amended, notwithstanding any provision of law that such proceeds shall be credited to miscellaneous receipts of the Treasury. Nothing in this Act shall affect existing laws or regulations concerning disposal of real or personal surplus property to schools, hospitals, and States and their political subdivisions.

(b) MOTORBOAT FUELS TAX.—The amounts provided for in section 201 of this Act.

(c)(1) OTHER REVENUES.—In addition to the sum of the revenues and collections estimated by the Secretary of the Interior to be covered into the fund pursuant to this section, as amended, there are authorized to be appropriated annually to the fund out of any money in the Treasury not otherwise appropriated such amounts as are necessary to make the income of the fund not less than \$300,000,000 for fiscal year 1977, and \$900,000,000 for fiscal year 1978 and for each fiscal year thereafter through September 30, 2015.

(2) To the extent that any such sums so appropriated are not sufficient to make the total annual income of the fund equivalent to the amounts provided in clause (1), an amount sufficient to cover the remainder thereof shall be credited to the fund from revenues due and payable to the United States for deposit in the Treasury as miscellaneous receipts under the Outer Continental Shelf Lands Act, as amended (43 U.S.C. 1331 et seq.); *Provided*, That notwithstanding the provisions of section 3 of this Act, moneys covered into the fund under this paragraph shall remain in the fund until appropriated by the Congress to carry out the purpose of this Act.

SEC. 3. [16 U.S.C 4601-6] APPROPRIATIONS.—Moneys covered into the fund shall be available for expenditure for the purposes of this Act only when appropriated therefor. Such appropriations may be made without fiscal-year limitation. Moneys made available for obligation or expenditure from the fund or from the special account established under section 4(i)(1) may be obligated or expended only as provided in this Act.

ADMISSION AND USE FEES; ESTABLISHMENT AND REGULATIONS

SEC. 4. (a) [16 U.S.C 4601-6a] ADMISSION FEES.²—Entrance or admission fees shall be charged only at designated units of the National Park System or National Conservation Areas administered by the Department of the Interior and National Recreation Areas, National Monuments, National Volcanic Monuments, National Scenic Areas, and no more than 21 areas of concentrated public use

¹The reference in section 2(a) is set forth as it appears in the original public law. The reference was probably intended to refer to subsections (b) through (e) of section 485.

²Public Law 100-55 (101 Stat. 371; 16 U.S.C. 4601-6a note) provided as follows:

“That, notwithstanding any other provision of law, after the date of the enactment of this Act [June 19, 1987], the Secretary of the Interior shall not charge any entrance or admission fee at the Statue of Liberty National Monument, New Jersey and New York.”

administered by the Department of Agriculture. For purposes of this subsection, the term "area of concentrated public use" means an area that is managed primarily for outdoor recreation purposes, contains at least one major recreation attraction, where facilities and services necessary to accommodate heavy public use are provided, and public access to the area is provided in such a manner that admission fees can be efficiently collected at one or more centralized locations. No admission fees of any kind shall be charged or imposed for entrance into any other federally owned areas which are operated and maintained by a Federal agency and used for outdoor recreation purposes.

(1)(A)(i) For admission into any such designated area, an annual admission permit (to be known as the Golden Eagle Passport) shall be available, for a fee of not more than \$25. The permittee and any person accompanying him in a single, private noncommercial vehicle, or alternatively, the permittee and his spouse, children, and parents accompanying him where entry to the area is by any means other than private, non-commercial vehicle, shall be entitled to general admission into any area designated pursuant to this subsection. The annual permit shall be valid for a period of 12 months from the date the annual fee is paid. The annual permit shall not authorize any uses for which additional fees are charged pursuant to subsections (b) and (c) of this section. The annual permit shall be nontransferable and the unlawful use thereof shall be punishable in accordance with regulations established pursuant to subsection (e). The annual permit shall be available for purchase at any such designated area.

(ii)¹ The Secretary of the Interior and the Secretary of Agriculture may authorize businesses, nonprofit entities, and other organizations to sell and collect fees for the Golden Eagle Passport subject to such terms and conditions as the Secretaries may jointly prescribe. The Secretaries shall develop detailed guidelines for promotional advertising of non-Federal Golden Eagle Passport sales and shall monitor compliance with such guidelines. The Secretaries may authorize the sellers to withhold amounts up to, but not exceeding 8 percent of the gross fees collected from the sale of such passports as reimbursement for actual expenses of the sales. Receipts from such non-Federal sales of the Golden Eagle Passport shall be deposited into the special account established in subsection (i), to be allocated between the Secretary of the Interior and the Secretary of Agriculture in the same ratio as receipts from admission into Federal fee areas administered by the Secretary of Agriculture and the Secretary of the Interior pursuant to subsection (a).

(B) For admission into a specific designated unit of the National Park System, or into several specific units located in a particular geographic area, the Secretary is authorized to make available an annual admission permit for a reasonable fee. The fee shall not exceed \$15 regardless of how many units of the park system are covered. The permit shall convey the privileges of, and shall be subject to the same terms and conditions as, the Golden Eagle Passport, except that it shall be valid

¹ Clause (ii) should be moved 2-ems to the right so as to align the clause with clause (i).

only for admission into the specific unit or units of the National Park System indicated at the time of purchase.

(2) Reasonable admission fees for a single visit at any designated area shall be established by the administering Secretary for persons who choose not to purchase the annual permit. A "single visit" means more or less continuous stay within a designated area. Payment of a single visit admission fee shall authorize exits from and reentries to a single designated area for a period of from one to fifteen days, such period to be defined for each designated area by the administering Secretary based upon a determination of the period of time reasonably and ordinarily necessary for such a single visit. The fee for a single-visit permit at any designated area applicable to those persons entering by private, noncommercial vehicle shall be no more than \$5 per vehicle. The single-visit permit shall admit the permittee and all persons accompanying him in a single vehicle. The fee for a single-visit permit at any designated area applicable to those persons entering by any means other than a private noncommercial vehicle shall be no more than \$3 per person. Except as otherwise provided in this subsection, the maximum fee amounts set forth in this paragraph shall apply to all designated areas.

(3) No admission fee shall be charged for travel by private, noncommercial vehicle over any national parkway or any road or highway established as a part of the National Federal Aid System, as defined in section 101, title 23, United States Code, which is commonly used by the public as a means of travel between two places either or both of which are outside the area. Nor shall any fee be charged for travel by private, noncommercial vehicle over any road or highway to any land in which such person has any property right if such land is within any such designated area. In the Smoky Mountains National Park, unless fees are charged for entrance into said park on main highways and thoroughfares, fees shall not be charged for entrance on other routes into said park or any part thereof. Notwithstanding any other provision of this Act, no admission fee may be charged at any unit of the National Park System which provides significant outdoor recreation opportunities in an urban environment and to which access is publicly available at multiple locations.

(4) The Secretary of the Interior and the Secretary of Agriculture shall establish procedures providing for the issuance of a lifetime admission permit (to be known as the "Golden Age Passport") to any citizen of, or person domiciled in, the United States sixty-two years of age or older applying for such permit. Such permit shall be nontransferable, shall be issued for a one-time charge of \$10, and shall entitle the permittee and any person accompanying him in a single, private, noncommercial vehicle, or alternatively, the permittee and his spouse and children accompanying him where entry to the area is by any means other than private, noncommercial vehicle, to general admission into any area designated pursuant to this subsection. No other free permits shall be issued to any person: *Provided*, That no fees of any kind shall be collected from any

persons who have a right of access for hunting or fishing privileges under a specific provision of law or treaty or who are engaged in the conduct of official Federal, State, or local Government business and *Provided further*, That for no more than three years after the date of enactment of this Act, visitors to the United States will be granted entrance, without charge, to any designated admission fee area upon presentation of a valid passport.

(5) The Secretary of the Interior and the Secretary of Agriculture shall establish procedures providing for the issuance of a lifetime admission permit to any citizen of, or person domiciled in, the United States, if such citizen or person applies for such permit, and is blind or permanently disabled. Such procedures shall assure that such permit shall be issued only to persons who have been medically determined to be blind or permanently disabled for purposes of receiving benefits under Federal law as a result of said blindness or permanent disability as determined by the Secretaries. Such permit shall be non-transferable, shall be issued without charge, and shall entitle the permittee and any person accompanying him in a single, private, noncommercial vehicle, or alternatively, the permittee and his spouse and children accompanying him where entry to the area is by any means other than private, noncommercial vehicle, to general admission into any area designated pursuant to this subsection.

(6)(A) No later than 60 days after the date of enactment of this paragraph, the Secretary of the Interior shall submit to the Committee on Interior and Insular Affairs of the United States House of Representatives and the Committee on Energy and Natural Resources of the United States Senate a report on the entrance fees proposed to be charged at units of the National Park System. The report shall include a list of units of the National Park System and the entrance fee proposed to be charged at each unit. The Secretary of the Interior shall include in the report an explanation of the guidelines used in applying the criteria in subsection (d).

(B) Following submittal of the report to the respective committees, any proposed changes to matters covered in the report, including the addition or deletion of park units or the increase or decrease of fee levels at park units shall not take effect until 60 days after notice of the proposed change has been submitted to the committees.

(7) No admission fee may be charged at any unit of the National Park System for admission of any person 16 years of age or less.

(8) No admission fee may be charged at any unit of the National Park System for admission of organized school groups or outings conducted for educational purposes by schools or other bona fide educational institutions.

(9) No admission fee may be charged at the following units of the National Park System: U.S.S. Arizona Memorial, Independence National Historical Park, any unit of the National Park System within the District of Columbia, Arlington

House—Robert E. Lee National Memorial, San Juan National Historic Site, and Canaveral National Seashore.

(10) For each unit of the National Park System where an admission fee is collected, the Director shall annually designate at least one day during periods of high visitation as a "Fee-Free Day" when no admission fee shall be charged.

(11) In the case of the following parks, the fee for a single-visit permit applicable to those persons entering by private, noncommercial vehicle (the permittee and all persons accompanying him in a single vehicle) shall be no more than \$10 per vehicle and the fee for a single-visit permit applicable to persons entering by any means other than a private noncommercial vehicle shall be no more than \$5 per person: Yellowstone National Park and Grand Teton National Park and after the end of fiscal year 1990, Grand Canyon National Park. In the case of Yellowstone and Grand Teton, a single-visit fee collected at one unit shall also admit the vehicle or person who paid such fee for a single-visit to the other unit.

(12) Notwithstanding section 203 of the Alaska National Interest Lands Conservation Act, the Secretary may charge an admission fee under this section at Denali National Park and Preserve in Alaska.

(b) RECREATION USE FEES.—Each Federal agency developing, administering, providing or furnishing at Federal expense, specialized outdoor recreation sites, facilities, equipment, or services shall, in accordance with this subsection and subsection (d) of this section, provide for the collection of daily recreation use fees at the place of use or any reasonably convenient location: *Provided*, That in no event shall there be a charge by any such agency for the use, either singly or in any combination, of drinking water, wayside exhibits, roads, overlook sites, visitors' centers, scenic drives, or toilet facilities, nor shall there be any such charge solely for the use of picnic tables: *Provided*, That in no event shall there be a charge for the use of any campground not having a majority of the following: tent or trailer spaces, picnic tables, drinking water, access road, refuse containers, toilet facilities, personal collection of the fee by an employee or agent of the Federal agency operating the facility, reasonable visitor protection, and simple devices for containing a campfire (where campfires are permitted). For the purposes of this subsection, the term "specialized outdoor recreation sites" includes, but is not limited to, campgrounds, swimming sites, boat launch facilities, and managed parking lots. Any Golden Age Passport permittee, or permittee under paragraph (5) of subsection (a) of this section, shall be entitled upon presentation of such permit to utilize such special recreation facilities at a rate of 50 per centum of the established use fee.

(c) RECREATION PERMITS.—Special recreation permits for uses such as group activities, recreation events, motorized recreation vehicles, and other specialized recreation uses may be issued in accordance with procedures and at fees established by the agency involved.

(d) All fees established pursuant to this section shall be fair and equitable, taking into consideration the direct and indirect cost to the Government, the benefits to the recipient, the public policy

or interest served, the comparable recreation fees charged by non-Federal public agencies, the economic and administrative feasibility of fee collection and other pertinent factors. Clear notice that a fee has been established pursuant to this section shall be prominently posted at each area and at appropriate locations therein and shall be included in publications distributed at such areas. It is the intent of this Act that comparable fees should be charged by the several Federal agencies for comparable services and facilities.

(e) In accordance with the provisions of this section, the heads of appropriate departments and agencies may prescribe rules and regulations for areas under their administration for the collection of any fee established pursuant to this section. Persons authorized by the heads of such Federal agencies to enforce any such rules or regulations issued under this subsection may, within areas under the administration or authority of such agency head and with or, if the offense is committed in his presence, without a warrant, arrest any person who violates such rules and regulations. Any person so arrested may be tried and sentenced by the United States magistrate¹ specifically designated for that purpose by the court by which he was appointed, in the same manner and subject to the same conditions as provided in title 18, United States Code, section 3401, subsections (b), (c), (d), and (e), as amended. Any violations of the rules and regulations issued under this subsection shall be punishable by a fine of not more than \$100.

(f) The head of any Federal agency, under such terms and conditions as he deems appropriate, may contract with any public or private entity to provide visitor reservation services. Any such contract may provide that the contractor shall be permitted to deduct a commission to be fixed by the agency head from the amount charged the public for providing such services and to remit the net proceeds therefrom to the contracting agency.

(g) Nothing in this Act shall authorize Federal hunting or fishing licenses or fees or charges for commercial or other activities not related to recreation, nor shall it affect any rights or authority of the States with respect to fish and wildlife, nor shall it repeal or modify any provision of law that permits States or political subdivisions to share in the revenues from Federal lands or any provision of law that provides that any fees or charges collected at particular Federal areas shall be used for or credited to specific purposes or special funds as authorized by that provision of law.

(h) [Repealed by section 1081(f) of Public Law 104-66 (109 Stat. 721).]

(i)(1)(A) Except in the case of fees collected by the United States Fish and Wildlife Service or the Tennessee Valley Authority, all receipts from fees collected pursuant to this section by any Federal agency (or by any public or private entity under contract with a Federal agency) shall be covered into a special account for that agency established in the Treasury of the United States. Fees collected by the Secretary of Agriculture pursuant to this subsection shall continue to be available for the purposes of distribution to States and counties in accordance with applicable law.

¹ The reference to United States magistrate in subsection (e) is deemed to refer to a "United States magistrate judge" by operation of section 321 of Public Law 101-650, Dec. 1, 1990.

(B) Notwithstanding subparagraph (A), in any fiscal year, the Secretary of Agriculture and the Secretary of the Interior may withhold from the special account established under subparagraph (A) such portion of all receipts collected from fees imposed under this section in such fiscal year as the Secretary of Agriculture or the Secretary of the Interior, as appropriate, determines to be equal to the fee collection costs for that fiscal year: *Provided*, That such costs shall not exceed 15 percent of all receipts collected from fees imposed under this section in that fiscal year. The amounts so withheld shall be retained by the Secretary of Agriculture or the Secretary of the Interior, as appropriate, and shall be available, without further appropriation, for expenditure by the Secretary concerned to cover fee collection costs in that fiscal year. The Secretary concerned shall deposit into the special account established pursuant to subparagraph (A) any amounts so retained which remain unexpended and unobligated at the end of the fiscal year. For the purposes of this subparagraph, for any fiscal year, the term "fee collection costs" means those costs for personnel and infrastructure directly associated with the collection of fees imposed under this section.

(2) Amounts covered into the special account for each agency during each fiscal year shall, after the end of such fiscal year, be available for appropriation solely for the purposes and in the manner provided in this subsection. No funds shall be transferred from fee receipts made available under this Act to each unit of the national park system: *Provided, however*, That in making appropriations, funds derived from such fees may be used for any purpose authorized therein. Funds credited to the special account shall remain available until expended.

(3) For agencies other than the National Park Service, such funds shall be made available for resource protection, research, interpretation, and maintenance activities related to resource protection in areas managed by that agency at which outdoor recreation is available. To the extent feasible, such funds should be used for purposes (as provided for in this paragraph) which are directly related to the activities which generated the funds, including but not limited to water-based recreational activities and camping.

(4) Amounts covered into the special account for the National Park Service shall be allocated among park system units in accordance with subsection (j) for obligation or expenditure by the Director of the National Park Service for the following purposes:

(A) In the case of receipts from the collection of admission fees: for resource protection, research, and interpretation at units of the National Park System.

(B) In the case of receipts from the collection of user fees: for resource protection, research, interpretation, and maintenance activities related to resource protection at units of the National Park System.

(j)(1) 10 percent of the funds made available to the Director of the National Park Service under subsection (i) in each fiscal year shall be allocated among units of the National Park System on the basis of need in a manner to be determined by the Director.

(2) 40 percent of the funds made available to the Director of the National Park Service under subsection (i) in each fiscal year

shall be allocated among units of the National Park System in accordance with paragraph (3) of this subsection and 50 percent shall be allocated in accordance with paragraph (4) of this subsection.

(3) The amount allocated to each unit under this paragraph for each fiscal year shall be a fraction of the total allocation to all units under this paragraph. The fraction for each unit shall be determined by dividing the operating expenses at that unit during the prior fiscal year by the total operating expenses at all units during the prior fiscal year.

(4) The amount allocated to each unit under this paragraph for each fiscal year shall be a fraction of the total allocation to all units under this paragraph. The fraction for each unit shall be determined by dividing the user fees and admission fees collected under this section at that unit during the prior fiscal year by the total of user fees and admission fees collected under this section at all units during the prior fiscal year.

(5) Amounts allocated under this subsection to any unit for any fiscal year and not expended in that fiscal year shall remain available for expenditure at that unit until expended.

(k) When authorized by the head of the collecting agency, volunteers at designated areas may sell permits and collect fees authorized or established pursuant to this section. The head of such agency shall ensure that such volunteers have adequate training regarding—

- (1) the sale of permits and the collection of fees,
- (2) the purposes and resources of the areas in which they are assigned, and
- (3) the provision of assistance and information to visitors to the designated area.

The Secretary shall require a surety bond for any such volunteer performing services under this subsection. Funds available to the collecting agency may be used to cover the cost of any such surety bond. The head of the collecting agency may enter into arrangements with qualified public or private entities pursuant to which such entities may sell (without cost to the United States) annual admission permits (including Golden Eagle Passports) at any appropriate location. Such arrangements shall require each such entity to reimburse the United States for the full amount to be received from the sale of such permits at or before the agency delivers the permits to such entity for sale.

(l)(1) Where the National Park Service provides transportation to view all or a portion of any unit of the National Park System, the Director may impose a charge for such service in lieu of an admission fee under this section. The charge imposed under this paragraph shall not exceed the maximum admission fee under subsection (a).

(2) Notwithstanding any other provision of law, half of the charges imposed under paragraph (1) shall be retained by the unit of the National Park System at which the service was provided. The remainder shall be covered into the special account referred to in subsection (i) in the same manner as receipts from fees collected pursuant to this section. Fifty percent of the amount retained shall be expended only for maintenance of transportation systems at the unit where the charge was imposed. The remaining 50 percent of

the retained amount shall be expended only for activities related to resource protection at such units.

(m) Where the primary public access to a unit of the National Park System is provided by a concessioner, the Secretary may charge an admission fee at such units only to the extent that the total of the fee charged by the concessioner for access to the unit and the admission fee does not exceed the maximum amount of the admission fee which could otherwise be imposed under subsection (a).

(n)(1) In the case of each unit of the National Park System for which an admission fee is charged under this section, the Secretary of the Interior shall establish, by October 1, 1993, a commercial tour use fee to be imposed on each vehicle entering the unit for the purpose of providing commercial tour services within the unit. Fee revenue derived from such commercial tour use fees shall be deposited into the special account established under subsection (i).

(2) The Secretary shall establish the amount of fee per entry as follows:

(A) \$25 per vehicle with a passenger capacity of 25 persons or less, and

(B) \$50 per vehicle with a passenger capacity of more than 25 persons.

(3) The Secretary may periodically make reasonable adjustments to the commercial tour use fee imposed under this subsection.

(4) The commercial tour use fee imposed under this subsection shall not apply to either of the following:

(A) Any vehicle transporting organized school groups or outings conducted for educational purposes by schools or other bona fide educational institutions.

(B) Any vehicle entering a park system unit pursuant to a contract issued under the Act of October 9, 1965 (16 U.S.C. 20-20g) entitled "An Act relating to the establishment of concession policies in the areas administered by the National Park Service and for other purposes."

(5)(A) The provisions of this subsection shall apply to aircraft entering the airspace of units of the National Park System identified in section 2(b) and section 3 of Public Law 100-91 for the specific purpose of providing commercial tour services within the airspace of such units.

(B) The provisions of this subsection shall also apply to aircraft entering the airspace of other units of the National Park System for the specific purpose of providing commercial tour services if the Secretary determines that the level of such services is equal to or greater than the level at those units of the National Park System specified in subparagraph (A).

ALLOCATION OF LAND AND WATER CONSERVATION FUND FOR STATE
AND FEDERAL PURPOSES

SEC. 5. [16 U.S.C 4601-7] ALLOCATION.—There shall be submitted with the annual budget of the United States a comprehensive statement of estimated requirements during the ensuing fiscal year for appropriations from the fund. Not less than 40 per centum

of such appropriations shall be available for Federal purposes. Those appropriations from the fund up to and including \$600,000,000 in fiscal year 1978 and up to and including \$750,000,000 in fiscal year 1979 shall continue to be allocated in accordance with this section. There shall be credited to a special account within the fund \$300,000,000 in fiscal year 1978 and \$150,000,000 in fiscal year 1979 from the amounts authorized by section 2 of this Act. Amounts credited to this account shall remain in the account until appropriated. Appropriations from the special account shall be available only with respect to areas existing and authorizations enacted prior to the convening of the Ninety-fifth Congress, for acquisition of lands, waters, or interests in lands or waters within the exterior boundaries, as aforesaid, of—

- (1) the National Park System;
- (2) national scenic trails;
- (3) the National Wilderness Preservation System;
- (4) federally administered components of the National Wild and Scenic Rivers System; and
- (5) national recreation areas administered by the Secretary of Agriculture.

FINANCIAL ASSISTANCE TO STATES

SEC. 6. [16 U.S.C 460l-8] GENERAL AUTHORITY; PURPOSES.—

(a) The Secretary of the Interior (hereinafter referred to as the “Secretary”) is authorized to provide financial assistance to the States from moneys available for State purposes. Payments may be made to the States by the Secretary as hereafter provided, subject to such terms and conditions as he considers appropriate and in the public interest to carry out the purposes of this Act, for outdoor recreation: (1) planning, (2) acquisition of land, waters, or interests in land or waters, or (3) development.

(b) APPORTIONMENT AMONG STATES; NOTIFICATION.—Sums appropriated and available for State purposes for each fiscal year shall be apportioned among the several States by the Secretary, whose determination shall be final, in accordance with the following formula:

(1) Forty per centum of the first \$225,000,000; thirty per centum of the next \$275,000,000; and twenty per centum of all additional appropriations shall be apportioned equally among the several States; and¹

(2) At any time, the remaining appropriation shall be apportioned on the basis of need to individual States by the Secretary in such amounts as in his judgment will best accomplish the purposes of this Act. The determination of need shall include among other things a consideration of the proportion which the population of each State bears to the total population of the United States and of the use of outdoor recreation resources of individual States by persons from outside the State as well as a consideration of the Federal resources and programs in the particular States.

(3) The total allocation to an individual State under paragraphs (1) and (2) of this subsection shall not exceed 10 per

¹In subsection (b)(1) a period probably should replace “; and”.

centum of the total amount allocated to the several States in any one year.

(4) The Secretary shall notify each State of its apportionments; and the amounts thereof shall be available thereafter for payment to such State for planning, acquisition, or development projects as hereafter prescribed. Any amount of any apportionment that has not been paid or obligated by the Secretary during the fiscal year in which such notification is given and for two fiscal years thereafter shall be reapportioned by the Secretary in accordance with paragraph (2) of this subsection, without regard to the 10 per centum limitation to an individual State specified in this subsection.

(5) For the purposes of paragraph (1) of this subsection, the District of Columbia, Puerto Rico, the Virgin Islands, Guam, American Samoa, and the Commonwealth of the Northern Mariana Islands (when such islands achieve Commonwealth status) shall be treated collectively as one State, and shall receive shares of such apportionment in proportion to their populations. The above listed areas shall be treated as States for all other purposes of this title.

(c) MATCHING REQUIREMENTS.—Payments to any State shall cover not more than 50 per centum of the cost of planning, acquisition, or development projects that are undertaken by the State. The remaining share of the cost shall be borne by the State in a manner and with such funds or services as shall be satisfactory to the Secretary. No payment may be made to any State for or on account of any cost or obligation incurred or any service rendered prior to the date of approval of this Act.

(d) COMPREHENSIVE STATE PLAN REQUIRED; PLANNING PROJECTS.—A comprehensive statewide outdoor recreation plan shall be required prior to the consideration by the Secretary of financial assistance for acquisition or development projects. The plan shall be adequate if, in the judgment of the Secretary, it encompasses and will promote the purposes of this Act: *Provided*, That no plan shall be approved unless the Governor of the respective State certifies that ample opportunity for public participation in plan development and revision has been accorded. The Secretary shall develop, in consultation with others, criteria for public participation, which criteria shall constitute the basis for the certification by the Governor. The plan shall contain—

(1) the name of the State agency that will have authority to represent and act for the State in dealing with the Secretary for purposes of this Act;

(2) an evaluation of the demand for and supply of outdoor recreation resources and facilities in the State;

(3) a program for the implementation of the plan; and

(4) other necessary information, as may be determined by the Secretary.

The plan shall take into account relevant Federal resources and programs and shall be correlated so far as practicable with other State, regional, and local plans. Where there exists or is in preparation for any particular State a comprehensive plan financed in part with funds supplied by the Housing and Home Finance Agency, any statewide outdoor recreation plan prepared for purposes of

this Act shall be based upon the same population, growth, and other pertinent factors as are used in formulating the Housing and Home Finance Agency financed plans.

The Secretary may provide financial assistance to any State for projects for the preparation of a comprehensive statewide outdoor recreation plan when such plan is not otherwise available or for the maintenance of such plan.

For fiscal year 1988 and thereafter each comprehensive statewide outdoor recreation plan shall specifically address wetlands within that State as an important outdoor recreation resource as a prerequisite to approval, except that a revised comprehensive statewide outdoor recreation plan shall not be required by the Secretary, if a State submits, and the Secretary, acting through the Director of the National Park Service, approves, as a part of and as an addendum to the existing comprehensive statewide outdoor recreation plan, a wetlands priority plan developed in consultation with the State agency with responsibility for fish and wildlife resources and consistent with the national wetlands priority conservation plan developed under section 301 of the Emergency Wetlands Resources Act or, if such national plan has not been completed, consistent with the provisions of that section¹

(e) PROJECTS FOR LAND AND WATER ACQUISITION; DEVELOPMENT.—In addition to assistance for planning projects, the Secretary may provide financial assistance to any State for the following types of projects or combinations thereof if they are in accordance with the State comprehensive plan:

(1) ACQUISITION OF LAND AND WATERS.—For the acquisition of land, waters, or interests in land or waters, or wetland areas and interests therein as identified in the wetlands provisions of the comprehensive plan (other than land, waters, or interests in land or waters acquired from the United States for less than fair market value), but not including incidental costs relating to acquisition.

Whenever a State provides that the owner of a single-family residence may, at his option, elect to retain a right of use and occupancy for not less than six months from the date of acquisition of such residence and such owner elects to retain such a right, such owner shall be deemed to have waived any benefits under sections 203, 204, 205, and 206 of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970 (84 Stat. 1984) and for the purposes of those sections such owner shall not be considered a displaced person as defined in section 101(6) of that Act.

(2) DEVELOPMENT.—For development of basic outdoor recreation facilities to serve the general public, including the development of Federal lands under lease to States for terms of twenty-five years or more: *Provided*, That no assistance shall be available under this Act to enclose or shelter facilities normally used for outdoor recreation activities, but the Secretary may permit local funding, and after the date of enactment of this proviso not to exceed 10 per centum of the total amount allocated to a State in any one year to be used for shel-

tered facilities for swimming pools and ice skating rinks in areas where the Secretary determines that the severity of climatic conditions and the increased public use thereby made possible justifies the construction of such facilities.

(f) REQUIREMENTS FOR PROJECT APPROVAL; CONDITION.—(1) Payments may be made to States by the Secretary only for those planning, acquisition, or development projects that are approved by him. No payment may be made by the Secretary for or on account of any project with respect to which financial assistance has been given or promised under any other Federal program or activity, and no financial assistance may be given under any other Federal program or activity for or on account of any project with respect to which such assistance has been given or promised under this Act. The Secretary may make payments from time to time in keeping with the rate of progress toward the satisfactory completion of individual projects: *Provided*, That the approval of all projects and all payments, or any commitments relating thereto, shall be withheld until the Secretary receives appropriate written assurance from the State that the State has the ability and intention to finance its share of the cost of the particular project, and to operate and maintain by acceptable standards, at State expense, the particular properties or facilities acquired or developed for public outdoor recreation use.

(2) Payments for all projects shall be made by the Secretary to the Governor of the State or to a State official or agency designated by the Governor or by State law having authority and responsibility to accept and to administer funds paid hereunder for approved projects. If consistent with an approved project, funds may be transferred by the State to a political subdivision or other appropriate public agency.

(3) No property acquired or developed with assistance under this section shall, without the approval of the Secretary, be converted to other than public outdoor recreation uses. The Secretary shall approve such conversion only if he finds it to be in accord with the then existing comprehensive statewide outdoor recreation plan and only upon such conditions as he deems necessary to assure the substitution of other recreation properties of at least equal fair market value and or reasonably equivalent usefulness and location.¹ *Provided*, That wetland areas and interests therein as identified in the wetlands provisions of the comprehensive plan and proposed to be acquired as suitable replacement property within that same State that is otherwise acceptable to the Secretary, acting through the Director of the National Park Service, shall be considered to be of reasonably equivalent usefulness with the property proposed for conversion.

(4) No payment shall be made to any State until the State has agreed to (1) provide such reports to the Secretary, in such form and containing such information, as may be reasonably necessary to enable the Secretary to perform his duties under this Act, and (2) provide such fiscal control and fund accounting procedures as may be necessary to assure proper disbursement and accounting for Federal funds paid to the State under this Act.

¹ In paragraph (3), the period should not appear before the proviso.

(5) Each recipient of assistance under this Act shall keep such records as the Secretary shall prescribe, including records which fully disclose the amount and the disposition by such recipient of the proceeds of such assistance, the total cost of the project or undertaking in connection with which such assistance is given or used, and the amount and nature of that portion of the cost of the project or undertaking supplied by other sources, and such other records as will facilitate an effective audit.

(6) The Secretary, and the Comptroller General of the United States, or any of their duly authorized representatives, shall have access for the purpose of audit and examination to any books, documents, papers, and records of the recipient that are pertinent to assistance received under this Act.

(7) [Paragraph (7) was repealed by section 814(d)(1)(H) of the Omnibus Parks and Public Lands Management Act of 1996 (Public Law 104-333; 110 Stat. 4196)]

(8) With respect to property acquired or developed with assistance from the fund, discrimination on the basis of residence, including preferential reservation or membership systems, is prohibited except to the extent that reasonable differences in admission and other fees may be maintained on the basis of residence.

(g) COORDINATION WITH FEDERAL AGENCIES.—In order to assure consistency in policies and actions under this Act, with other related Federal programs and activities (including those conducted pursuant to title VII of the Housing Act of 1961 and section 701 of the Housing Act of 1954) and to assure coordination of the planning, acquisition, and development assistance to States under this section with other related Federal programs and activities, the President may issue such regulations with respect thereto as he deems desirable and such assistance may be provided only in accordance with such regulations.

(h) CAPITAL IMPROVEMENT AND OTHER PROJECTS TO REDUCE CRIME.—

(1) AVAILABILITY OF FUNDS.—In addition to assistance for planning projects, and in addition to the projects identified in subsection (e), and from amounts appropriated out of the Violent Crime Reduction Trust Fund, the Secretary may provide financial assistance to the States, not to exceed \$15,000,000, for projects or combinations thereof for the purpose of making capital improvements and other measures to increase safety in urban parks and recreation areas, including funds to—

(A) increase lighting within or adjacent to public parks and recreation areas;

(B) provide emergency phone lines to contact law enforcement or security personnel in areas within or adjacent to public parks and recreation areas;

(C) increase security personnel within or adjacent to public parks and recreation areas; and

(D) fund any other project intended to increase the security and safety of public parks and recreation areas.

(2) ELIGIBILITY.—In addition to the requirements for project approval imposed by this section, eligibility for assistance under this subsection shall be dependent upon a showing of need. In providing funds under this subsection, the Sec-

retary shall give priority to projects proposed for urban parks and recreation areas with the highest rates of crime and, in particular, to urban parks and recreation areas with the highest rates of sexual assault.

(3) FEDERAL SHARE.—Notwithstanding subsection (c), the Secretary may provide 70 percent improvement grants for projects undertaken by any State for the purposes described in this subsection, and the remaining share of the cost shall be borne by the State.

Lands, waters and interests therein acquired in accordance with this subsection shall be administered as part of the area to which they are added, subject to the laws and regulations applicable thereto.
